4. Shuffle story path, challenge, helper, and ending cards into separate decks.
5. Place 6 lantern tokens for quick mode or 10 for full mode.
6. Place 3 story sparks near the board as the shared starting pool.

Quick Rules

2. Read the path card, move, and choose Help, Imagine, Build, Notice, or Remember.
3. Complete the challenge as a team.
4. Gain story sparks for strong teamwork or clear storytelling.
5. Spend story sparks to unlock the ending.
6. If the lantern path runs out, read the soft landing ending and try again with one more starting spark.

Sample Turn
